(June 17, 2005- TROY)- Mayor Harry J Tutunjian will join with Rocco DeFazio and other merchants on TODAY morning for a groundbreaking at the future site of bocce courts in Troy's Little Italy Marketplace.

The courts are located behind the Vanilla Bean on Hill Street. The groundbreaking will take place at 10 a.m. and all members of the media are encouraged to attend.

"Building the bocce courts in the revitalized Little Italy is a genuine partnership between the City of Troy and the hardworking merchants in this area," Tutunjian said. "It is an effort we all hope will lead to an increased numbers of visitors to Little Italy and the City of Troy."
